SPRINGVALE PRIMARY SCHOOL

Social Media Policy

Introduction

This policy has been formally adopted by the governors of Springvale Primary School. It was initially presented as a model policy by B.M.B.C. and it has been accepted or adapted to reflect our practice.

Aims and Principles

The policy is underpinned by the central aims of Springvale Primary and values held by the school community:

Aims of the school

- Springvale is committed to promoting high standards of academic achievement for all learners in all subjects.
- As a school we will continue to develop and instil key life skills and values in our pupils.
- We will encourage positive relationships and communications between home, our community and the wider world.

In particular, Springvale School has an inclusive approach to our provision. Our aim is always to involve all our children and stakeholders in all areas of the curriculum and school life. In accordance with our **Disability Equality Scheme** we recognise that this may mean making special adaptations or arrangements from time to time for children with specific disabilities. We welcome the involvement of disabled adults in all areas of school life.

Background Information

Springvale Primary School is a caring and open school, where parents, children, staff and the wider school community all know that their views and needs will be listened to, in both education and personal areas.

10 Be SMART Online

We encourage pupils to take a SMART approach to social media behaviour:

- **Safe** – Do not give out personal information, or post photos of yourself to people you talk to online. Follow age restriction rules.
- **Meeting** – Do not meet somebody you have only met online. We encourage parents/carers to speak regularly to their children about who they are talking to online.
- **Accepting** – We advise that pupils only open emails and other forms of communication from people they already know.
- **Reliable** – We teach pupils about the dangers of believing everything they see online.
- **Tell** – We encourage pupils to tell a teacher, parent or carer if they see anything online that makes them feel uncomfortable.
