Cross Country KS2 Friday 25th October 2019 - Team Finals Wednesday 6th November 2019 – Individual finals

Dear families,

After our recent success at Cross Country events, we will be taking part in the above Cross Country Finals at Cawthorne Park. Your child will be running in:

- the team event on Friday 25th October.
- the individual event on Wednesday 6th November.
- both events.

They are in school time and start at 1.15pm. Please see below for race times.

Introduction – 1.20 - 1.30

Year 3 / 4 Boys – 1.30

Year 3 / 4 Girls – 1.45

Year 5 / 6 Boys – 2.00

Year 5 / 6 Girls – 2.15

Presentations – 2.40

We will be taking part, whatever the weather, and would like **children to bring suitable clothing to school, in the morning, to change into at lunchtime.** Weather depending, this should be plain shorts, or track suit bottoms with their coloured team sports top and a warm jumper, hoodie or tracksuit top and waterproof wherever possible. Please note that conditions could be muddy and slippery and it is essential that the children have proper running footwear. **Children will be responsible for carrying and looking after their own water bottle to and from the event.** Dinner time arrangements are as normal and the children will eat as soon as possible so that are comfortable enough to run by 1.30pm.

We would like to invite all parents to come along and watch and to save on transport costs, we would gratefully ask if any parents could help with transport to and from the event. Your child would need to be picked up at school at 12.45 for both events and could go home with you afterwards. Please indicate on the slip attached if you are available to provide transport. School will organise travel for children whose parents/carers are not available.

Kind Regards, Mr L McClure, Headteacher
