Wellbeing Breakfast Club

Monday 21st October 2019

Dear families,

Many of our children in school benefit from a little extra time with our adults to talk about their learning, develop friendships and/or developing a positive attitude to school life. Since Mrs Walker has reduced her time in school, following her retirement, we have found it more difficult in our busy school day to protect the necessary time to ensure that children have that all important opportunity to talk or receive some pastoral support.

Mrs Royston and I have met to discuss potential, new options to support children who may benefit from an opportunity to talk in a relaxed, small group setting. We would like to offer a free opportunity for our children to come in to school a little earlier each day and to share a book and talk to adults or their friends. We would like to invite your child into school each day at 8.30am rather than 8.45am to join this new group. This would begin on the first day back after half-term on **Monday 4th November 2019**. We realise how busy mornings can be and, for this reason, we will also offer some simple breakfast options of toast and juice during the activity. Children would be taken to class in time for register.

Please return the slip below as soon as possible to secure your child's place. Children should arrive through the main reception area. Please note that we would like to start at 8.30am prompt each day so please ensure that children arrives in good time to enjoy the activity and some refreshments.

Have a great week everyone!

Kind Regards

Mr L McClure

Headteacher

I would like my child / children _____ to be part of the well-being breakfast club starting on Monday 4th November.

I acknowledge that they will be collected from the main entrance at 8.30am.

Please note any dietary allergies / intolerances here: _____

Parent / carer signature: _____

Date: _____
