Newsletter- Week 18

Monday 20th January 2020

Dear families,

Welcome to our latest newsletter. We had a wonderful week last week; 100% GREEN lights, lots of exciting learning going on and a real buzz around school! Can you have an even better week this week? We start by sharing two links for parents. The first is a website that has been shared by a parent that is very helpful in terms of Safety Online. The second is an article about how to look after a child's wellbeing during the dark, winter months. We hope that parents find them useful.

Quiz: On Thursday 6th February we will be holding a Family Quiz event at Penistone Church Football Club to raise funds for school and to seek views on future fundraising ideas and projects. The quiz will run from 6.30-8.00pm with a range of questions and challenges that are appropriate for all of the family. We are keeping the event quite light on numbers and special features as it is the first time we have done it. **Tickets will be priced at £10 per family** and this will include entry to the family quiz, 2 drinks at the bar (per £10 ticket holder) and some light snacks. **Tickets will be available from the main office from Tuesday 21st January from 8.30am.** We will have prizes for the quizzes and other games like beetle drive. We will also be selling bingo and raffle tickets during the evening. We have a limited number of family tickets available so please move quickly to secure yours. If the event is a success we will 'scale it up' and offer it to a wider number of families. Please note that the bar will be open to members of the public too so children must be kept with their family for the duration of the event.

Wellbeing event: A reminder that we have a special meeting about the school's approach to wellbeing and social/emotional learning on Tuesday this week. The meeting will run from 5pm to 6pm in the school hall.

Springvale Museum Booking: As per last week's detail section about the Museum event we are now taking bookings for parents to see our amazing curriculum work across the whole school. The tour will take 30-40 minutes to sample all curriculum areas. Spaces are filling up so please email as soon as possible to secure your tour!

Have a great week everyone!

Kind Regards

Mr L McClure
