

# My Sweet Recipe

To understand how food is used for celebration in religion.

Design a new sweet for a religious celebration.

Tick the ingredients you will use:

- |                                 |                                 |                                  |                                     |
|---------------------------------|---------------------------------|----------------------------------|-------------------------------------|
| <input type="checkbox"/> butter | <input type="checkbox"/> sugar  | <input type="checkbox"/> nuts    | <input type="checkbox"/> vegetables |
| <input type="checkbox"/> milk   | <input type="checkbox"/> fruits | <input type="checkbox"/> coconut | <input type="checkbox"/> flour      |

Draw what your sweet will look like:

Now, write a recipe for how your sweet will be made.
