

Year 6

Home learning/Update:

It has been lovely to hear from some of you again this week. I have thoroughly enjoyed looking at the work you have been doing. Please get in touch if you haven't already [r.mayston@springvaleprimary.org](mailto:r.mayston@springvaleprimary.org)

During the next week the topic learning is animals! This is one we should all really love! Look out for our special staff pets quiz!

You can access the topic on our Springvale website curriculum page or on the document attached to this email!

This outlines activities for you and your families to participate in and is coordinated with the rest of the school's topic learning.

If you want to complete other year 6 learning tasks then please do so..but they are completely optional and just do what works for your household and keeps you busy, engaged and active!

take care

Still miss you all like mad...

Mrs Mayston and Mrs Kent xx

I will update next week...
