Achieving Excellence through a Values Driven Education

Dear Parents, Carers and Students.

We are so excited that you're coming to join us at Penistone Grammar School in September. Time is flying by and you will soon be joined by our new year seven students- how exciting!

We would like to invite you to a biometric scanning event here at PGS next Monday (13th of July). The evening will include biometric finger scanning and a viewing of the building. You will be in your current bubbles and should always remain in them. We have conducted a risk assessment to ensure the strictest of hygiene standards are always present.

Once you have completed your biometric scanning you will then be welcomed to have a look around the school building- which will be open for your viewing.

Your times are shown below. Please note bubbles will be kept separate and social distancing will remain in place throughout the time slots. Once you arrive at reception a member of staff will meet and greet you and guide you to the designated area for your bubble. Please may we request that parents/carers remain in their cars at all times.

Time slots:

6.00 - 6.20pm	Till A	Springvale-Indigo Bubble-14 Students
6.00 - 6.20pm	Till B	Springvale-Violet Bubble-13 Students

Should you have any further questions please feel free to contact us.

Warm wishes,

Mrs Corson
Transition Lead
