Face Coverings: Please note that from now on, we are encouraging all parents to wear face coverings when on the school site. This is a borough wide decision and one that we have agreed to support. Much like common practice public transport, shopping, etc. over the previous weeks and months; we encourage parents to wear an appropriate covering over the mouth and nose when you enter the school grounds and until you have left the site. We understand that some parents/carers are exempt on medical rounds. Remember a face covering does not mean that you cannot catch or spread COVID so please ensure that social distancing and our raft of existing safety expectations are followed too.

Have a great week everyone and please stay safe! **Kind Regards, Mr L McClure, Headteacher**
