PROSPECTIVE PARENT/CARER UPDATE

Do you have a child starting full time school next September or a child who is ready to join our Nursery soon?

Do you want them to join a vibrant, exciting learning community?

Due to COVID we cannot have safe tours at the school currently but we have been working hard to prepare a new welcome video and prospectus to share with you!

Also, on Wednesday 25th November 2020 at 8pm we have a special ZOOM meeting for prospective parents to launch our new video and prospectus.

We will also share lots of information about our school and what happens next! Please come along and join us if you can!

Please register your interest with our school office so that we can send you a link/keep in touch with any vital updates. You can call us on 01226760930 between 8.30am and 3.30pm or email office@springvaleprimary.org. Thank you.

We hope that you can join us!
