Zoom 2pm = Topic: LO: To write a thank you letter.

Following on from yesterday's zoom with the Antarctic Fire Angels, write a thank you letter to them explaining what you enjoyed about their presentation and especially what you've learnt about Antarctica and their planned trip (see attached sheet). You can write on this template or write your own. You can attach extra sheet if you need more writing space. Make sure you use your BEST JOINED handwriting and use a range of openers, conjunctions and complex sentences as learned in literacy. **Note - On the top, right hand side lines, write the address. DO NOT use your home address (or I can't sent it), use the school address: Springvale Primary School, Sheffield Road, Penistone, S36 6HJ and put today's date below it. At the end, under yours sincerely, DO NOT put your surname e.g. Henstock, just your first name e.g. Becky, when you sign off at the end of the letter.**

Please email me r.henstock@springvale.primary.org your letter - if possible- and I will post them on. I'm sure they'll be delighted to receive them.

Try to make your letter interesting to read and remember to use some of the skills you've learnt in literacy. Don't forget paragraphs and punctuation!
