

## Learning Project WEEK 3 – Superhero Me

Age Range: KS1

### Y1 Maths Tasks (per day)

#### Monday:

Order numbers video <https://vimeo.com/483539572>  
Worksheet <https://resources.whiterosemaths.com/wp-content/uploads/2019/10/Y1-Autumn-Block-4-WO8-Order-numbers-2019.pdf>

Answers <https://resources.whiterosemaths.com/wp-content/uploads/2019/10/Y1-Autumn-Block-4-ANS8-Order-numbers-2019.pdf>

#### Tuesday:

Add by counting on activity video  
<https://vimeo.com/490879063>

This is a practical session. You will need dominoes and dice.

#### Wednesday:

Add by counting on video  
<https://vimeo.com/490879463>

Worksheet <https://resources.whiterosemaths.com/wp-content/uploads/2019/11/Y1-Spring-Block-1-WO1-Add-by-counting-on-2019.pdf>

Answers <https://resources.whiterosemaths.com/wp-content/uploads/2019/11/Y1-Spring-Block-1-ANS1-Add-by-counting-on-2019.pdf>

#### Thursday:

Add ones using number bonds video  
<https://vimeo.com/490879867>

Worksheet <https://resources.whiterosemaths.com/wp-content/uploads/2020/12/Y1-Spring-Block-1-WO-Add-ones-using-number-bonds-2020.pdf>

Answers <https://resources.whiterosemaths.com/wp-content/uploads/2020/12/Y1-Spring-Block-1-ANS-Add-ones-using-number-bonds.pdf>

#### Friday:

Add ones using number bonds (part 2) video  
<https://vimeo.com/490880277>

Worksheet <https://resources.whiterosemaths.com/wp-content/uploads/2020/12/Y1-Spring-Block-1-WO-Add-ones-using-number-bonds-2020.pdf>

Answers <https://resources.whiterosemaths.com/wp-content/uploads/2020/12/Y1-Spring-Block-1-ANS-Add-ones-using-number-bonds.pdf>

### Y2 Maths Tasks (1 per day)

Watch Mrs Royston's daily two minute video to keep practising your number work!

Before moving on too quickly with money we are going to have time to use our learning from last week with different activities. We typically do this in the classroom too!

#### Monday:

Have a go at playing this game today.

<https://www.topmarks.co.uk/money/coins-game>

It will help you practise sorting and identifying coins, order coins (remembering their value) and finally counting coins.

Within 'counting coins' there are some options which use the decimal point. This is introduced in Year 3.

Just choose: 1p -10p      11p – 20p      4 coins to 20p

#### Tuesday:

Practise the activity cards – compare the amount.

There are 3 sheets – Diving, Deeper and Deepest.

They move through difficulty and allow children to practise skills and then explore further with some problem solving.

Each sheet has some useful questions to ask your child as they go along. I always encourage children to use jottings / working out on their sheets or another piece of paper to help them.

#### Wednesday:

Last week we were beginning to choose coins to make total amounts.

Have a go at playing this game to practise that learning

<https://www.topmarks.co.uk/money/toy-shop-money>

You can choose 'mixed coins' and then different 'exact' totals. Some levels are within pence and some include pounds.

#### Thursday:

Practise the activity cards – finding the total.

There are 3 sheets – Diving, Deeper and Deepest.

They move through difficulty and allow children to practise skills and then explore further with some problem solving.

Each sheet has some useful questions to ask your child as they go along. I always encourage children to use jottings / working out on their sheets or another piece of paper to help them.

#### Friday:

Our next step in money is finding the difference and working out change. This needs us to use strategies linked to subtraction.

We had done lots of subtraction work at school, but not quite got to crossing the 'tens'!

Today we will have a go at this skill.

Video link to learning: <https://vimeo.com/468562834>

Worksheet: <https://resources.whiterosemaths.com/wp-content/uploads/2020/09/Y2-Autumn-Block-2-WO14-Subtract-2-digit-numbers-2-2019.pdf>

Answers: <https://resources.whiterosemaths.com/wp-content/uploads/2020/09/Y2-Autumn-Block-2-ANS14-Subtract-with-2-digit-numbers-2.pdf>

### Y1 Phonics

There are daily phonics videos for children in green and pink phonics groups as they are learning new sounds – please check your emails to see which one your child needs to watch.

**Green Group** sounds this week are **igh** and **ow**.

Monday – reading with igh

Tuesday – spelling with igh

Wednesday – reading with ow

Thursday - spelling with ow

Friday - consolidation

**Pink group** sounds are split digraph sounds **a\_e** and **i\_e**

Monday – reading with a\_e

Tuesday – spelling with a\_e

Wednesday – reading with i\_e

Thursday - spelling with i\_e

Friday - consolidation

**Everyone** - keep practising the sounds at the front of your 'phonics homework book'.

Spellings for Blue and Orange phonics groups:

Each week I will list 8 words to practise at home. You could even have a little spelling test at the end of the week!

Sometimes it easier to choose a few to practise the first 2 days and then build up more as the week goes on.

This week's words are: **The /v/ sound at the end of words spelt with 've'**

have  
live  
give  
love  
glove  
above  
nerve  
behave

Once learnt please encourage your child to use the correct spelling of these words in their writing.

### Y2 Spag – see our daily videos to help!

Monday: -ment

Add the suffix to the root words: **enjoy entertain treat replace**

Tuesday: -ment

Add the suffix to these root words: **pay agree disappoint refresh**

Wednesday: -ment

Read the words: **amazement shipment measurement punishment**

Thursday: -ed (let's remember this from Y1)

These are the root words: **help sprint jump paint look**

Friday: -er -est (let's remember these from Y1)

Root words: **tall long quick smart**

#### Year 2 spellings to practise this week:

Most children are ready to begin learning how to spell the Year 2 common exception words. Each week I will list 8 words to practise at home. You could even have a little spelling test at the end of the week!

Sometimes it easier to choose a few to practise the first 2 days and then build up more as the week goes on.

This week's words are:

**gold hold told cold old great break steak**

Some children are already spelling these words and were going to be learning alternative spelling patterns. (I will contact these parents to let them know!) This week's spelling patterns are 'c' making the 'ssss' sound and the words are:

**space silence circus city juicy race since icy**

Every day we will be inviting you to join us on zoom for an English lesson at 10.15am. Our book this week is 'Eliot the midnight superhero' by Anne Cottringer. This link will take you to the story being read and shared on YouTube so you can enjoy it again and again!  
<https://www.youtube.com/watch?v=XVKSletqu2k&safe=active>

Our lessons will link to the activities below.

Monday:

Listen in on zoom to our story. What was your favourite mission that Eliot was sent on? Can you write about this mission? What was happening? What did Eliot have to do?

Tuesday:

We will then be thinking about the main character Eliot. We will be choosing adjectives to describe him and writing our own character description.

Wednesday:

You are going to become the superhero today! What will your powers be? What will your superhero name be? I wonder if you will need a special outfit? We will be writing our ideas and using our imagination.

Thursday:

Oh no! We need superhero you! Can you help Springvale school as a giant snowball comes towards us? Can you draw your story map and choose your own ending? Re-tell your story to someone at home.

Friday:

Today we are going to write our story about the giant snowball! We will need our completed story maps to help us.

### Reading books

We will be leaving wallets out for children with new reading books – this will be in the shelter near the school drive. **Please take the books but leave the folders ready for us to use next week!** To stagger the number of parents / carers coming to this area we have designated set days to collect these and then you can **please leave books that have been previously read in the box.** Please collect your child's books on the given day....

Wednesday Y1 children – home learners  
Thursday Y2 surnames beginning A – L – home learners  
Friday Y2 surnames beginning M – Z – home learners

**For children who are attending school we will change their books in school – please bring book bags every day.**

Science

We have found some superhero science activities to try out this week. We have attached the sheets to help you and some questions to think about for each one.

**1. Cola superhero fountain**

What do you think might happen in this super experiment?

What happened?

How fast was it?

How high was it?

How big was it?

How super was it?

**2. Flying superhero**

Can you hold the end of the superhero balloon tightly closed?

What is inside the balloon?

When you are ready, let go of your superhero.

What is leaving the balloon when you let go of the end?

### **3. Magnetic superhero**

What happens if you move the magnet behind the scene?

What happens to the superhero picture?

Does the superhero move?

Try moving the magnet in different ways!

#### Art

Can you make your own superhero mask or cape? You can draw them onto paper or have a go at making them. You can turn an old pillow case into a cape!

#### Design Technology

Can you create your own superhero den or vehicle at home? You could use a large box to help you.

#### Wellbeing

We are all unique and special. We have our very own super powers without even realising it!

What makes you special? Can you create a poster all about superhero you? You could put your picture in the middle and write your special powers around it. Maybe people at home can add their ideas too!

#### **At the end of the day come and join us on zoom at 2.45pm**

We will be sharing our 'word of the day', rhyme of the week, reminders for tomorrow and on hand for any problems or questions.

Please email us with any work or photographs:
