Spellings for Blue and Orange phonics groups:

Each week I will list 8 words to practise at home. You could even have a little spelling test at the end of the week!

Sometimes it easier to choose a few to practise the first 2 days and then build up more as the week goes on.

**Monday**  
**Tuesday**  
**Wednesday**  
**Thursday**

Can you change the adverb in the sentences?

Friday: Have a look at this picture. I have used adverbs to describe the verbs floated and waved.

The balloon floated **gently**.

The people waved **happily**.

Can you change the adverbs in the sentences?

### Year 2 spellings to practise this week:

Most children are ready to begin learning how to spell the Year 2 common exception words. Each week I will list 8 words to practise at home. You could even have a little spelling test at the end of the week!

Sometimes it easier to choose a few to practise the first 2 days and then build up more as the week goes on.

This week's words are:

**child wild children path bath could would should**

Some children are already spelling these words and were going to be learning alternative spelling patterns. (I will contact these parents to let them know!)

This week's spelling patterns are 'al' at the end of words:

**pedal oval total medal normal arrival royal virtual**

## English

Every day we will be inviting you to join us on zoom for an English lesson at 10.15am.

This link will take you to a re-telling of the story.

<https://www.bing.com/videos/search?q=youtube+dont+look+in+this+book&docid=608023376648864914&mid=79275B8D3AB84522E47F79275B8D3AB84522E47F&view=detail&FORM=VIRE&adlt=strict>

Our lessons will link to the activities below and we will be using the book to write our own patterned poems.

### Monday:

Think about what is hiding inside the locked book. Why can't we look inside? Let's predict what might be there. We will be using commands and exclamation marks.

### Tuesday:

Looking at the underwater picture we can create our own poem. We can describe what we can see and describe how they move.

### Wednesday:

Today we are going to use the space race picture to write our own poems. We will think of different words meaning 'racing' to use in our poem.

### Thursday:

The tigers are on the train! Let's use the picture today to write about the four tigers!

### Friday:

Our last picture we will use is about the wizards! What could you hear? What could you see?

## Reading books

We will be leaving wallets out for children with new reading books - this will be in the shelter near the school drive. **Please take the books but leave the folders ready for us to use next week!**

To stagger the number of parents / carers coming to this area we have designated set days to collect these and then you can **please leave books that have been previously read in the box.**

Please collect your child's books on the given day....

Wednesday Y1 children - home learners

Thursday Y2 surnames beginning A - L - home learners

Friday Y2 surnames beginning M - Z - home learners

**For children who are attending school we will change their books in school - please bring book bags every day.**

### Science

Find out about different planets. Can you name them? Can you find some facts out about one of the planets?

### History

Can you find out about an astronaut? You could make a fact sheet about them - where they are from, what they need for their job, where they explored.

### Art

Could you make a new crazy page for our book of the week 'Don't look in this book'? You could create a new planet with new creatures!

### Wellbeing

Have a look for the stars at night time and clouds in the day. What can you see? Can you spot any constellations? Do the clouds look like animals or objects?

**At the end of the day come and join us on zoom at 2.45pm**

We will be sharing our 'word of the day', rhyme of the week, reminders for tomorrow and on hand for any problems or questions.
