

HOME LEARNING YEAR 5 (Hippocrates' Heroes)

Week commencing: MON 8th February 2021

Please see the timetable (attached) outlining the weekly lessons. Try to follow this timetable at home. Literacy will be based around the class novel (The Hobbit)

ZOOM TIMINGS: 9.30am-10am = Reading, 11am-11.30am = Writing

2pm-2.30pm Foundation subjects ALL children must follow the weekly timetable and complete work set for all foundation subjects. Mon, Tues and Thurs (pm) Mrs Fearn will be available on zoom to support pupils if there's any misunderstanding with the tasks that have been set.

BOOK SWAPPING (if needed) in shelter: TUESDAY 9-12.30pm

If you ever need **extra activities/** work you could always try: 10 mins. times table practice (could include TT' Rock Stars or a 12 x 12 multiplication grid), 10 mins. spelling practice, read the class novel 'The Hobbit' or you could also complete one of your home works from the matrix. We do not expect homework to be sent in, however we are always happy to see e mail photos of your work. r.fearn@springvaleprimary.org or r.henstock@springvale.primary.org or l.wildsmith@springvaleprimary.org

PE

Try to achieve 2 hours of exercise over the week e.g. walk, daily mile -run, Joe Wicks or cosmic kids yoga. <https://www.youtube.com/user/CosmicKidsYoga>

Mr McClure will be holding a PE session on Wednesday 2pm Zoom to help you with this.

FREE AFTER SCHOOL CLUBS ON ZOOM (same as the link for that day):

Tuesday Stay Tuned with Audrey 4 - 4.45pm

Thursday Healthy Body, Healthy Mind with Mr. McClure 4 - 4.45pm

IF you would like to do some **extra practice in the holidays**, have a go at some of this booklet. It is 50 pages long so choose what you'd like to do - we certainly DON'T expect it all to be done! Some of it we've not even taught yet. Make sure you have a break and rest from school work in the holidays to re-charge your batteries - that's really important! These are only for those of you that I know like to work extra. Have a fun holiday!

Booklet (50 pages) =

MONDAY

Maths: LO: Order fractions greater than 1 (sheet 2)

- 1) Video = <https://vimeo.com/503130281>
- 2) Worksheets = <https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y5-Spring-Block-2-WO6-Compare-and-order-fractions-greater-than-1-2019.pdf>
- 3) Answers = <https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y5-Spring-Block-2-ANS6-Compare-and-order-fractions-greater-than-1-2019.pdf>

Zoom 2pm Topic: WWF polar booklet. Try the science sheets 1a-3b. For some sheets you may have to do some research online (if possible). You will continue this on Thursday pm.

TUESDAY

Maths: LO: Add and subtract fractions

- 1) Video = <https://vimeo.com/503132995>
- 2) Worksheets = <https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y5-Spring-Block-2-WO7-Add-and-subtract-fractions-2019.pdf>
- 3) Answers = <https://resources.whiterosemaths.com/wp-content/uploads/2020/08/Y5-Spring-Block-2-ANS7-Add-and-subtract-fractions-2019.pdf>

Zoom 2pm Science:

LO: To explain that some changes form new materials, and that these changes are not usually reversible.

Please go through the attached PowerPoint explaining how when some substances are mixed they form new materials and these changes cannot be reversed. Then complete the attached worksheet about 'The Diet Coke and Mentos Experiment!' Thinking about if the change was reversible or irreversible.

I have attached instructions for you to conduct the experiment yourself. If you are unable to, take a look at the video below to see what happens:

https://www.youtube.com/watch?v=uJuaPv5VIxY&feature=emb_title&safe=active
