How to play:

- Each player chooses a colour; red or yellow.
- Players take turns to choose an activity starting from the bottom row. Once they have completed the activity they mark it off with their colour.
- Players can not choose an activity from the row above until the one beneath has been completed.
- Can you be **honest** and complete each activity correctly?
- The first player to get 4 in a row; horizontal, vertical or diagonal is the winner.
