#### Year 2 spellings to practise this week:

Most children are ready to begin learning how to spell the Year 2 common exception words. Each week I will list 8 words to practise at home. You could even have a little spelling test at the end of the week!

Sometimes it easier to choose a few to practise the first 2 days and then build up more as the week goes on.

This week's words are:

**move prove improve Mr Mrs after father water**

Some children are already spelling these words and were going to be learning alternative spelling patterns. (I will contact these parents to let them know!) This week's spelling patterns use 'a' that sounds like 'or'...

**ball stall war warm walk talk always also**

### English

Every day we will be inviting you to join us on zoom for an English lesson at 10.15am.

This link will take you to a reading of the story 'Michael Recycle' by Ellie Bethel

[https://www.youtube.com/watch?v=zeoMzwrCG\\_w&safe=active](https://www.youtube.com/watch?v=zeoMzwrCG_w&safe=active)

Our lessons will link to the activities below.

Monday:

We will share the story together and write about the main character.

Tuesday:

We will compare the town before and after Michael Recycle visits. The pictures and text can help us!

Wednesday:

Can we create a poster to help remind the townspeople how to keep their town tidy?

Thursday:

A horrible new character called Litterbug has come to Penistone! Can you design this new character and write a description?

Friday:

The Litterbug is being a nuisance to the people of Penistone! Can Michael Recycle help?  
Help us create a story map so you can re-tell your story.

### Reading books

We will be leaving wallets out for children with new reading books – this will be in the shelter near the school drive. **Please take the books but leave the folders ready for us to use next week!**

To stagger the number of parents / carers coming to this area we have designated set days to collect these and then you can **please leave books that have been previously read in the box.**

Please collect your child's books on the given day....

Wednesday Y1 children – home learners

Thursday Y2 surnames beginning A – L – home learners

Friday Y2 surnames beginning M – Z – home learners

**For children who are attending school we will change their books in school – please bring book bags every day.**

This clip talks about what to do with rubbish and how it can be recycled...

<https://www.bbc.co.uk/bitesize/clips/z8s87hv>

Talk to your grownups about recycling and find out how you can help to recycle.

Have a go at sorting the rubbish into different recycling groups using our sorting activity.

Keep a tally of what you recycle this week using our sheet to help you.

Art

Can you create a new environmental superhero to help save the Earth? What special powers might they have?

Have a go at one of our recycling craft ideas using an old CD or an old t-shirt.

Wellbeing

Recycle a jar by turning it into a 'Things to look forward to' jar! Have a look at our attached sheet to help you!

**At the end of the day come and join us on zoom at 2.45pm**
