### WORLD BOOK DAY

In school we will be celebrating World Book Day. Here are some links and ideas for you to explore and try - enjoy!

<https://www.worldbookday.com/>

Look at Author and Illustrator Academy films 2021.

We recommend:

<https://www.worldbookday.com/online-masterclasses/protect-the-planet-with-jess-french/>

Have a go at reading the extract - online - and then try the resources sheet. Choose an activity to complete e.g. from Inspiration 1, Inspiration 2 or the Creative challenge from Jess French.

Try the Author readings 2020 to hear authors read some extracts from their books. For example try Matt Haig - reading from 'Evie and the Animals' that we studied in class. Try other links of your own choice. These are from 2020 but you can still watch them. <https://www.youtube.com/worldbookdayuk>
