Week 36 Newsletter

Sunday 20th June 2021

Dear families,

Welcome to our latest newsletter. This weekly newsletter is the best place to keep abreast of all that we offer in school and the latest news. Let's get started!

Recent communications: Please note that two important letters were sent out to families last week. One was to confirm some adaptations to events up to the end of the school year following the announcement last Monday about the delay to removing social distancing regulations. The other was an important update on a review of the education sector by Ofsted relating to behaviour and safety in school. Please ensure that you have seen both communications as they are very important.

Messages from the school office:

Class 6 Leavers: Please may we kindly remind you to ensure your child's online payment account is clear before your child leaves Springvale School on 16th July 2021.

The link is www.eduspot.co.uk

If you are having trouble accessing your child's account or have forgotten the password please ring the school office.

Class 2: Please note once your child has moved into class 3 in September the universal free school meals comes to an end and you will be required to pay for your child's school lunch. The cost is going up to £2.09 per day and we ask that you pay in advance please.

The link is www.eduspot.co.uk

If you are having trouble accessing your child's account or have forgotten the password please ring the school office.

Y6 Bubble Closure: A huge well done to pupils, families and staff for managing with the bubble closure. Your efforts at home and online were recognised and appreciated. We have adapted our plans so that children can settle back in and enjoy school again. We have postponed the planned Y6 assessment week.

Beat the Street: Well done to everyone who is taking part in the big competition and getting out exercising in the (mostly) nice weather. Just a reminder that this is for children and adults who are walking, running, cycling or scooting between boxes. Please don't register your fob if you don't intend to play as the competition creates an average points per player rating! Please don't drive between boxes or scan additional fobs either so that the competition is fair.

New EYFS starters meeting: Thank you to everyone who attended the new starters meeting last week. We have sent out some of the information. If you have any questions or concerns please let us know ASAP.

Parent Consultations: A Zoom link will be sent out to Y3 parents tonight for the appointments with Mr Venus and Miss Alderson tomorrow. The event on Friday has been fully risk assessed and we will send more details in the coming days so that the information is fresh for everyone when you attend.

Thank you for your fantastic support as always.

Regards, Mr L McClure, Headteacher

School Statistics

Attendance Update	Week 35: 97.8%	Summer Term: 97.8%	Year to date: 98%
Class of the Week:	F2 Dr Ranj with 98.7% attendance
