Dear New Class 6 parents/carers,

I am writing to you about a fabulous opportunity for your children in Year 6...I have booked an exciting residential trip to PGL Caythorpe Court -near Grantham- Lincolnshire. This trip will take place (all being well) 9th-11th March 2022.

This is a wonderful opportunity for your child to have a fun packed 3 days of outdoor adventure and team building activities. In the evening, a camp fire and disco are also on the agenda!

I have introduced the trip using a video and I hope they are as excited as I am to be going there!

The cost of this trip is £220. (Pupil Premium children £140.00)This includes: food/coach/activities and specialist equipment.

If you would like your child to be included in this trip then a £30 deposit is needed by the 5th July 2021.

A further £80 will need to be paid by the 5th Jan 2022.

The balance (£110) would need to be settled by 1st March 2021

You have the opportunity to do "part payment" for this trip which means you can pay as and when you like once you've paid the above deposit. This helps you space the payments out yourself over the year.

Any problems with payment please speak to the office staff.

More information about this brilliant trip can be found on the PGL site- parent information-

Many thanks
Mrs Rachael Mayston

Transition Day at Springvale-Year 6- Tuesday 6th July

As their new teacher I have planned a little outing to the Springvale Gardens on this morning and therefore can you make sure your child is suitably clothed for the weather and could they please bring £2 with them for a little treat.

Many thanks
