

Springvale Primary School – Uniform List 2021

ALL UNIFORM MUST BE LABELLED WITH YOUR CHILD'S NAME (AND IDEALLY THEIR CLASS NUMBER)

School Uniform

We believe that a uniform helps children to be ready to learn and promotes a sense of standards. It is **essential** that all children wear the school uniform.

Please note that our new school logo has been introduced from September 2019 onto all branded items. All former versions will still be allowed in school but the new style logo is encouraged.

The approved school uniform includes:

- A plain navy sweatshirt or cardigan. We would recommend buying at least one which has the school logo for school visits and class photographs day.
- A blue Springvale fleece (optional) with a logo
- A plain white, sky blue or navy polo shirt (again, ideally one with the brand)
- Black, grey or navy trousers – no jeans, combats or cropped trousers
- A black, grey or navy skirt or pinafore
- Smart, comfortable, black shoes. Shoes should be free from branding and visible logos (including Nike 'ticks'). No trainers are allowed in school as a substitute for school shoes. In the event that children come to school in wellington boots or leather boots due to bad weather, they will need to bring their shoes in a separate bag.

Notes:

- T shirts and tracksuit tops are not acceptable
- No jewellery, including earrings. This also includes plastic ear spacers which are just as dangerous. Any piercings should be done at the start of the Summer holidays so that they heal over the 6 weeks break. Jewellery cannot be worn on 'non-uniform' days either.
- Children with long hair may be asked to tie it back during some PE sessions or food technology lessons
- Sensible and safe watches can be worn in Key Stage 2. (School will make every effort to keep these safe but ultimately they are at the owner's risk)
- No nail varnish on fingers or toes
- No art work or 'pretend tattoos' to be on display
- **When appropriate, due to warm weather:**
 - blue checked or striped summer dresses with blue or white socks
 - Black or grey formal school shorts (no casual shorts)

P.E.

- PE shirt matching your team colour (branded and unbranded available to buy)
- Plain black or blue shorts
- Simple, black pumps (with names inside please!) (these are optional)
- No football shirts/shorts

Additionally for outdoor PE or clubs:

- Trainers
- Sports socks in black

Outdoor P.E does take place even if it is cold so children may wear a warm sweatshirt and jogging bottoms or tracksuit over the top of their usual P.E kit. (These should be dark in colour and the sweatshirt should be different to the usual uniform.)

Please note that we also offer some additional branded or unbranded school items such as water bottles, PE bags, etc. Please ask our office staff for further details.
