

Our PE curriculum is delivered through the Getset4pe programme. This scheme supports our children to make progress with their physical skills but also links social, emotional and thinking skills into the process. The children become more equipped

Getset4pe also encourages families to enjoy being active together. Click on the following link to access the Getset4pe website and click on 'Active Families' to access monthly challenges.

[Get Set 4 PE - Resource Bank](#)

When you access the website, it should look something like this. Next, you can choose an activity to do together and record it on your active calendar. Enjoy and good luck!
